

Handcrafted Hope

Custom Christmas Ornaments

Looking for a meaningful gift or a special keepsake this holiday season? NHA is excited to once again offer custom, handmade Christmas ornaments, lovingly crafted by talented students from all three of our New Horizons Academy campuses! Each ornament is a unique keepsake that captures the spirit of the season while supporting our NHA students. Students now have over **100 different layer options** to choose from! Additionally, this year, we have added acrylic as a layer option for the ornaments! Ornaments can have all wood or acrylic layers or a combination of both. These beautiful, one-of-a-kind Christmas ornaments are sure to bring joy and festive cheer to any home.

Painting and engraving options available for wood and wood/acrylic combination ornaments!

These beautiful wood and wood/acrylic combination ornaments can be painted or left natural. If you choose to have your ornament hand painted, our students will be putting their creativity and holiday spirit to work by hand painting one-of-a-kind Christmas ornaments just for you! Each ornament will be painted by our young artists using tasteful holiday colors, making every piece a unique and personal keepsake.

That's not all! Make it even more personal with **FREE** custom laser engraving! Add a name, special date, meaningful message, or other personal touch to the back of wood and wood/acrylic combination ornaments. Your personalized engraving makes each ornament a one-of-a-kind keepsake that can be treasured for years to come.

Natural Wood

Acrylic

Combination

Painted

Engraved

Scan to Purchase

Order deadline: Monday, November 9, 2026 * Quantities and time are limited. Order today!

Ornaments will be available for pickup at Pettisville Missionary Church on Tuesday night, December 15th at this year's Christmas musical. If you are unable to attend the Christmas musical, ornaments will be delivered to each NHA campus in Wauseon and Springfield by Thursday, December 17th.

For additional information, contact Matt at 419.335.7272 or via email at mattr@sarasgarden.org

All proceeds from this ornament sale will go towards the ongoing purchase of equipment and supplies for our Handcrafted Hope family and consumer science program, and every ornament purchased helps our students learn, create, and grow.
