Custom Christmas Ornaments

The options shown below are examples of what the various layered ornaments can look like using natural wood, acrylic or a combination of both materials. Painting and engraving options are also available for natural wood and combination ornaments!

2 Layer Ornaments

Simple yet beautiful, these 2-layer Christmas ornaments creates a clean, timeless look with just the right amount of detail. Made from wood, acrylic, or a combination of both, their layered design adds subtle depth while keeping the ornament elegant and uncomplicated.

3 Layer Ornaments

Our 3-layer Christmas ornaments add a little more depth and detail while keeping a clean, simple design. Crafted from wood, acrylic, or a combination of both, each layer works together to create a beautiful ornament with added dimension and holiday charm.

4 Layer Ornaments

Our 4-layer Christmas ornaments brings even more depth and dimension while maintaining a clean, thoughtfully layered design. Crafted from wood, acrylic, or a combination of both, each layer adds detail and character to create a truly eye-catching holiday keepsake.

5 Layer Ornaments

Our 5-layer Christmas ornaments are our most detailed design, creating beautiful depth, dimension, and visual interest while still feeling thoughtfully crafted. Made from wood, acrylic, or a combination of both, each layer builds upon the next to create a truly special holiday keepsake.
